- **THANK YOU FOR CHOOSING A TED WOJCIK CUSTOM FRAME!** We're excited that you chose us for your next custom frame and what better way than to do it than to choose a Ted! Please take the time to thoroughly read through this multi-page pdf document before you give us a call with your questions. We'll be more than happy to help you out with all your wants and needs. But first, do your homework and study up! A lot of thought goes into a custom frame and an equal amount of work to get the job done to your specifications. So before we even cut one tube, we want to know that everything is to your exacting specifications. Once you have finished, please email us the updated form, send it by mail to the above address, or if you're in the neighborhood look us up and swing on by. We'll be happy to talk bikes!

Once again-we thank you for your patronage and look forward to your order.

- **TED WOJCIK CUSTOM BICYCLES uses only the best paints and powders available!** We can paint something simple or as crazy as you can imagine. Just remember-the more complex and the more colors you choose.. the more its going to cost. Heck, if you really like a certain painters work, let us know and we'll arrange to have them paint it for you! (fyi: additional charges may apply with shipping of the frame) The point is we want you to be happy and have the bike of your dreams! Like we said, we use the best. Check out our liquid colors by going to:

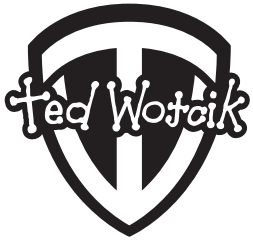

<http://www.houseofkolor.com>

<http://www.ppg.com>

We also use powdercoats on all our mountain frames and if you wish we can have your road frame powder-coated as well. Although the color choices are not as far reaching, the durability and environmentally friendly powdercoats are impressive. Give us a call to discuss your paint today!

- **NOW BUST OUT THE CRAYONS AND SEE WHAT YOU CAN IMAGINE!**
